Our Legacy Art
project & process has ...

LIFTED OFF!

Watch your newsletters and fliers for
updates on this Sixth Grade tradition.

The Sixth Grade Class of 2018 (with help
from the Combo 5th Graders) has started
working with this year's Artist In Residence,
Michael Vanartsdalen.

Mr. V. is a local artist and art teacher. We
have hired him to work with the students to
design, plan, create, and install an original
piece of art.

This piece of public
art will remain as an
Owyhee Legacy for
all to enjoy.

Everyone can get
involved by collecting
and bringing in clean
plastic lids and bottle
caps. All colors, all sizes!

(More info on flier)

We are taking box tops until
