Field Trip Permission Form

During the school year, teachers may schedule field trips that provide educational experiences to extend classroom learning. School District personnel will take all normal precautions for the students' Safety. If special health or safety considerations are needed for your child, it is your responsibility to let us know. Transportation is usually provided by bus.

Written information will be sent home with students to notify parents of field trips as they are scheduled. This notification will include the place, date, and time of the field trip and transportation arrangements. The notice will also include information about any minimal donation amount (such as entrance fees) for the field trip.

Please complete the bottom part of this sheet to let us know if you give permission for your child to participate in field trips.
